

Press Release

September 29, 2021

GeoResonance is pleased to announce and welcome Mr. Josep Lluís Martínez España as GeoResonance Regional Representative for the Latin American market.

Mr. Martínez and his Latin American team joins GeoResonance with over 30 years of experience in mining projects in Africa, South America and USA, as well as development of mining codes for governments.

Mr. Martínez and his team will be involved in the marketing activities of GeoResonance exploration offerings, to deliver the highest quality service to our clients.

We welcome Mr. Martínez and his team to GeoResonance, and we wish the best of success in this new challenging endeavour.
